23<sup>rd</sup> February 2026

Dear Parents/Guardians,

We hope this message finds you well.

With the increased cost of living, rising operational costs are placing additional pressure on school resources, and as a result, fundraising has become more important than ever to help us continue providing the best possible learning environment for our students. This year marks 10 years since our last major fundraiser, which was a big success thanks to the support of our families and the wider community. With that in mind, we are delighted to announce a new community fundraising event - a Tractor Run on Sunday 19<sup>th</sup> April and we are inviting tractors, vintage cars and trucks to take part, promising a fantastic day out for all the family.

**Tractor Run: Sunday 19<sup>th</sup> April**

**Registration: €20 per tractor/vintage car/truck, payable on the day.**

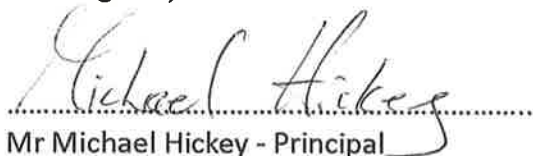

We are also seeking sponsorship from companies, and we are extremely grateful to the many local businesses who continue to support our school so generously.

Our student body are behind this initiative and we are especially proud of students Niall McDonald and Sean Mathews whose enthusiasm and leadership have been exceptional. Fundraising cards will be available from reception, offering the chance to win fabulous prizes - €2 per line. We encourage all families to support this initiative in any way they can, whether by participating, sponsoring, selling lines or attending on the day.

Finally, we would like to extend our sincere thanks to the Parents' Council for their continued hard work, dedication and support in organising this event. With your help, we are confident this will be a successful and an enjoyable day for our entire school community.

Thank you, as always, for your ongoing support.

Kind regards,

Mr Michael Hickey - Principal

(On behalf of the Students, Staff and Parents' Council)
