MUSIC CLASS

We have been very busy in music class this month. Learning to play new instruments and learning our music theory.

We attended the 1st year welcome mass this month in Church of the Most Precious Blood. We attended the rehearsals for choir with Ms. Kelly.

READING THIS MONTH

We spent a lot of time reading and going to the school library this month. We picked out our own books and have been reading them everyday. We've been improving our reading and spelling.
