

CINCINNATI COLLEGE PREPARATORY
ACADEMY

"Education That Empowers"

Parent's Right-to-Know Letter

Under federal law, the Cincinnati College Preparatory Academy must notify parents of their right to request certain information about their child's education. We are happy to provide this information to you, and we will do so in a timely manner.

At any time, you may request information about state or school policies or procedures regarding student participation in any required assessment. This information will include the right to opt out of the assessment, if such a right applies.

In addition, you may ask:

- Whether the teacher met State qualification requirements for the grade level and subject in which he/she teach,
- Whether the teacher is teaching under an emergency or provisional certificate through which the State requirements were waived, and
- Whether the teacher is teaching in the field of discipline of his/her certification.

You may also ask whether your child receives help from a paraprofessional. If your child receives this assistance, we can provide you with information about the paraprofessional's qualifications.

Our staff is committed to helping your child develop the academic knowledge and critical thinking he/she needs to succeed in school and beyond. That commitment includes making sure that all of our teachers and paraprofessionals are qualified.

If you have any questions about your child's assignment to a teacher or paraprofessional or about required assessments, please contact me at any time.

Sincerely,

Guyton Mathews
Superintendent
