

Mission: The Cincinnati College Preparatory Academy will provide holistic programming and top-quality education that prepares our learning community for college and career readiness.

March 10, 2026

Dear CPPA Family,

Ohio State Testing season is near! Hopefully, you and your student have been tracking progress in ProgressBook [@pa.metasolutions.org](https://pa.metasolutions.org). Here's a break down of high school grades:

- Semester 1 = average of Quarter 1 + Quarter 2 (Q1 = S1 interim)
- Semester 2 = average of Quarter 3 + Quarter 4 (Q3 = S2 interim)
- S1 and S2 are on your student's transcript
- S1 and S2 are used calculate cumulative GPAs
- CCPA's GPA goal is 3.0 or higher for every student.
- I have worked with many students, teaching them how to calculate their GPA as well as setting academic goals with them. I will continue to do this until I have worked with every student!

We do have exams coming up in April. Please give your attention to the following:

- **Ohio State Testing (OST) Exams**: results tied to graduation requirements
- **Advanced Placement (AP) Exams**: results tied to COLLEGE credits
- **Subject Final Exams + ProCore Form C**: results tied to course grades/credits (impact graduation requirements)
- Please consult the calendar on the back

We are expecting EXCELLENT RESULTS!!

The following **expectations** will ensure academic success of our CCPA HS students:

- Arrive to school on time
- Stay in school all day
- ****late arrivals/early dismissals for emergencies only - even on testing days****
- Arrive & stay in uniform
- Lock cell phone in YONDER bag
- **“Work from HOME”** means:
 - students expected to check Schoology & complete assignments from home
 - teachers will be available virtually if any questions arise
 - 9th grade students required to log into virtual classes

Thank you for your ongoing support! We couldn't do this without you!

Sincerely,

Ms. McDonald

HS Counselor
