AS 1- Mona Ahmadi

Instagram Handle - mona ahmadi (@mona_a_art)

Oman

I'm a sculptor, and my main profession is making face sculptures.

As a sculptor, I have started my career with wood, and then made them with different material such as clay, ceramics, glass, bronze.

The idea behind making faces for me is to visualize my model emotions and feelings.

AS 2 - Mina rezaee

Instagram Handle - @artminarezaee

AS 6 - Zohreh sadegh

Instagram Handle - @Nirvana.art7

Iran

Zohreh Sadegh, a graduate MA in Fine Arts and Painting from the University of Iran, is a highly accomplished and innovative artist in the realm of art. With over seventeen years of teaching experience in universities and art schools across Iran, she has successfully passed on her knowledge and expertise to new generations of art enthusiasts.

Her works, characterized by the unique combination of resin, antique mirrors, and aluminium, present a novel and pervasive experience of art.

AS 7 - Mehran

Instagram Handle - @artmirrormehran

Iran

Āina-kāri is a kind of interior decoration where artists assemble finely cut mirrors together in geometric, calligraphic or foliage forms. This creates a beautiful shining surface covered with complex facets, reflecting light as intricate abstract patterns or glittering reflections.

art space

AS 9 - Anahita Shahabi

Instagram Handle - @anahita.shahabii

Iran

Since I was a student of visual arts, investigating nature and looking at it was interesting and inspiring for me. At first, I was drawings of flowers and trees in the form of realism in my paintings. But over time, spots and coloured surfaces in forms and volumes and reaching simple forms led me to an expressive and abstract and geometric space. As for the work technique, I use mix media and mostly acrylic.

AS 10 - Bita Charoosi Zadeh

Instagram Handle - @Bita.art57

Oman
