---

## Dhofar University

Website: [www.du.edu.om](http://www.du.edu.om)

Country: Sultanate of Oman

Dhofar University (DU) is a leading private University in Oman, established in January 2004. It is located in Salalah, which is known for its lush green mountains, pristine beaches, and moderate weather throughout the year.

DU is mission-driven University and pursues excellence in teaching and learning, research, and community outreach in an open learning environment conducive to creativity and innovation. The four colleges that constitute the University are - College of Arts & Applied Sciences, College of Commerce & Business Administration, College of Engineering and College of Law. Currently, DU offers 39 programs at undergraduate and postgraduate levels through its four colleges. The medium of instruction is mostly English with some programs offered in Arabic.

DU provides its students with cutting-edge learning experience, which equips them to become competent professionals, successful entrepreneurs, able leaders and effective community servers. Therefore, its graduates enjoy a favorable employability among local industries and business enterprises.

DU is the first University in Oman to be accredited nationally by Oman Academic Accreditation and Quality Assurance of Education (OAAAQA) in December 2018. DU is also ranked internationally in QS Arab Universities rankings in the band 111-120 for the year 2023. Moreover, DU is the first private university in Oman to be included in the Arab Universities ranking by Times Higher Education (THE) in the band 121-140 for the year 2022.

---

## McMaster University, Canada

Website: <https://future.mcmaster.ca/>

Country: Canada

McMaster is located in Hamilton, Ontario – the fifth largest city in Ontario, Canada – and about a 45-minute drive from Toronto, Niagara Falls and the US border. Our 300-acre pedestrian-friendly campus is in the heart of one of Canada's most multicultural and affordable cities. Hamilton blends the big-city experience with the safety and proximity of a close-knit community. With food and art hubs, concerts, museums and local cafés, there is something for everyone.

McMaster is proud to offer 25 Level 1 undergraduate program options for incoming international students across a plethora of disciplines most of which offer the opportunity to gain invaluable work and experiential learning experience, allowing you to put theory into practice. With a world-class education and the opportunity to work in Canada while you are a student, you can start your career before you graduate. Once you complete your studies, you can leverage skills you have learned anywhere in the world.

Ranking 85th worldwide, McMaster is one of only four Canadian universities in the global top 100 (2023 Times Higher Education World University Rankings). We have welcomed over 227,000 graduates with approximately 16 per cent of all these students being international students, representing over 120 countries. You will be joining an established and supportive international student community.

McMaster has over \$300,000 in Entrance Scholarships are available for international students entering Level 1 programs.

Our vision and reputation for outstanding teaching and research is the reason McMaster is ranked one of Canada's most research-intensive universities. We are invested in fostering and building a relationship between research and teaching at all levels. Our 998 faculty members, 97 per cent of whom have PhDs, are first in their class and come from 55 countries. It's all part of our mission to discover, share and preserve knowledge with a commitment to creativity, excellence and innovation in teaching.

SULTANATE OF OMAN  
MINISTRY OF EDUCATION

كلية مسقط  
Muscat College

## Muscat College

Website: [www.muscatcollege.edu.om](http://www.muscatcollege.edu.om)

Country: Sultanate of Oman

Muscat College, (formerly known as Muscat College of Management Science and Technology) is a private Higher Education Institution located in Muscat, the capital city of the Sultanate of Oman. The College is one of the first private higher education institutions and one of the pioneering colleges in Oman to initiate undergraduate studies at the bachelor with honours degree level.

Established in 1996 the College started its first academic year in 1997. Since then, the College has produced thousands of undergraduate students. Till 2004, the College campus was in a multi-story building in Ruwi. Then another milestone was achieved with the establishment of the College purpose-built campus in Bawsher city with facilities including classrooms, computer laboratories, library, cafeteria, auditorium etc. With steady growth, the college has undergone further infrastructural expansion in 2010 with the addition of

an upper floor to the Language Centre, a mosque for both staff and students and a Multi-Purpose Sports Hall for indoor sports activities. In addition, the college has further plans to construct a girl's hostel and a dedicated library building during the next strategic plan period 2020-25.

As Philadelphia's public university, Temple serves as a gateway to the world with long-standing international campuses in Tokyo and Rome and study abroad opportunities across six continents.

## The Myriad Muscat

Website: <https://www.themyriad.com/destinations-muscat>

Country: Sultanate of Oman

The Myriad Muscat is a first and the largest ladies living community and retail. Our endeavor is to incorporate comfort and safety in a modern living environment.

Our mission is to provide safe and fulfilling community exclusively for ladies and to be pioneers at student and working women accommodation. We have created this beautiful project based on in-depth research and analysis of today's local and global expectations of women.

We facilitate accommodations for over 2700 ladies who have a freedom of choice between various single and multiple occupancy room types to best suit their needs.

We aim at maximizing the resident's comfort and convenience by providing facilities and service to enable them to complete their day-to-day tasks with ease. Residents can take advantage of fully equipped laundry rooms, a two-storey mall and dining lounges that are available on every floor wherein they could also prepare their own meals. The heart of our property is our beautifully sky light courtyards which are connecting all 3 residential blocks providing space for our residents to enjoy the outdoors while still being indoors.

We provide a variety of recreational and leisure facilities for residents to make the most of what we have to offer, such as restaurants, cafes, supermarkets, study areas, workspaces, health and beauty services, and a state-of-the-art gym - the largest ladies gymnasium in Oman.
