

THE TOP TANKLESS™

FEATURING AN UPGRADED CONTROL PANEL
FOR GREATER PERFORMANCE VISIBILITY

Noritz is excited to introduce our upgraded EZ Series Pro line for 2026, which includes enhanced monitoring capabilities thanks to our newly upgraded display panel. This update allows users to track system performance directly at the unit or remotely via Bluetooth® connectivity and provides greater operational visibility while maintaining the high-performance standards of our EZ Series Pro.

➔ Fast and Easy Setup Process

Get your EZ Series Pro up and running quickly thanks to our streamlined setup using our upgraded display.

➔ Maintenance Reminders

Stay on top of your required annual maintenance by setting reminders directly through the control panel.

➔ Easy Recirculation Scheduling

Pairing your EZ Series Pro with our recirculation pump kit (RPK-EXT-P) and setting run times have never been easier thanks to our full-function display.

➔ View Status and Error History

Owners can now view real-time status and past errors of their unit directly through the control panel settings.

THE BEST TANKLESS WARRANTY IN THE INDUSTRY

Noritz stands behind what we build—which is why Noritz has done what no one else has in the tankless industry: we've backed our new EZ Series Pro with a 25-year heat exchanger warranty.

THE TOP TANKLESS™ EZ SERIES PRO

EZ SERIES PRO

RESIDENTIAL TANKLESS

Meet the new EZ Series Pro — same trusted performance, smarter control. A new full-function display streamlines installation and gives you greater visibility and control over your system. Paired with an unmatched 25-year warranty, ultra-high efficiency, and Bluetooth® connectivity, the EZ Series Pro line continues to set the standard for fast, reliable hot water delivery.

→ NEW CONTROL PANEL

The new control panel upgrade now features a larger display and gives homeowners and contractors more visibility of heater updates and functions.

→ GREATER EFFICIENCY

Our EZ Series Pro line offers an industry-leading **0.98 UEF RATING**, making it even more efficient than previous models while generating fewer harmful emissions.

→ BLUETOOTH® CONNECTIVITY

All EZ Series Pro models come equipped with Bluetooth® connectivity, providing more control of heater functions including temperature settings, timers, and more.

→ SHIPS NATURAL GAS READY

Natural Gas (NG) is the default gas type on our EZ Series Pro, but if liquid propane (LP) is preferred, all units come with a gas conversion kit that helps to easily update your unit's gas type.

→ EZTR PRO BUNDLES ALSO AVAILABLE

The Noritz EZTR Pro bundles have also been upgraded with the latest EZ Series Pro models and include select accessories to help speed up installation.

VERSATILE VENTING OPTIONS

The EZ Series Pro adapts to your installation needs, providing professional installers and their homeowner-customers with a wide range of venting options:

- ➔ No-Roof Kit
- ➔ Flex Vent
- ➔ Single Vent
- ➔ Direct Vent
- ➔ Outdoor

DUAL HIGH GRADE STAINLESS STEEL HEAT EXCHANGERS

Features greater resistance to corrosion and buildup, keeping your system running for years to come.

INDUSTRY-LEADING 25 YEAR WARRANTY

Our EZ Series Pro heat exchanger features a 25-year warranty, the longest warranty in the tankless industry on the most crucial component of the unit.

UPGRADED CONTROL PANEL

The EZ Series Pro now features an upgraded full-function display for maximum visibility of operating status and additional heater functions.

1/2" GAS LINE COMPATIBLE

Compatible with most installations, the 1/2" fitting is found underneath the unit for a more convenient install.

TOP MOUNTED WATER CONNECTIONS

Top mounted water connections allow for existing water lines to be connected faster.
