

Become a partner in Skaraborg's future!

IDC West Sweden AB is a development company for the people in Skaraborg's manufacturing industry. Our mission is to strengthen competition and profitability for Skaraborg's manufacturing industry.

We work comprehensively for an expansion of the whole of the Skaraborg region and collaborate with several other stakeholders. In addition, IDC works continuously with needs analysis and our work is based on the needs of the companies. Approximately 150 companies have joined forces with us as partners. Would you also like to develop your company at the same time as you contribute to the development of the whole region?

IDC is non-profit making and it is owned by the companies. Its work is mainly financed by public funding from, amongst others, Region Västra Götaland, Skaraborg's Local Authority and EU Structural Funds. Our opportunities for additional financing and development increase with the number of partners. In short – the more we are, the stronger we will be.

In the attached material and on our website www.idcab.se, you can read more about the advantages of a partnership and how to become a partner.

Yours faithfully,

Leif Pehrsson, CEO
