

The background features a dark blue field filled with binary code (0s and 1s) in various sizes and colors (light blue, white). A central graphic consists of a glowing blue network of interconnected nodes and lines, forming a circular shape. Overlaid on this network is a large, semi-transparent white circle. The text "AI-BASERAD VISION" is centered horizontally and vertically, rendered in a bold, dark blue, sans-serif font. The overall aesthetic is futuristic and technological.
