

I need your help to promote myself to others. With your assistance I can accomplish this. I know that our last transaction may have been a while back but I still need your feedback.

Dear \_\_\_\_\_,

I need your help. I am trying to get a better presence online with different real estate websites. I have had an account with Zillow for a while but have not really tried to get it to work for me. Please take a moment to review me on Zillow. I need to have some reviews showing on my profile. I would be grateful if you feel inclined to give me a review to help my placement on Zillow. The link is below:

Please note: If you don't already have a Zillow account, you will be asked to provide your email to help prevent fraudulent reviews. Don't worry, only an email and password are required, and you can immediately opt-out of Zillow emails. If you have any questions please call me.

Hopefully you feel I did a good job when I assisted you with your real estate transaction. Your review will help others to choose me for their real estate needs. I appreciate you and thank you for your time and consideration!

Sincerely,

Tina
