**Time Change - Spring Forward!  
Saturday night (March 9th) when  
you go to bed spring adjust your  
clocks forward 1 hour.**

This is also a great time to consider some basic but important maintenance.

- \* Check smoke alarms, make sure they are working
- \* Check air conditioners, clean and check filters, clean the area around the outside units of debris and call a HVAC professional to service your units.
- \* Clean your gutters or have them cleaned.
- \* Call a good roofing company to check your roof before storm season.
- \* Clean all the old debris around your house and flower beds.
- \* Call your lawn care company to scalp your yard.
- \* Have your yard treated for weeds.
- \* Have your yard treated for fleas and ticks, tis the season it all begins.

## St. Patrick's Day, Lucky Day!

St. Patrick's Day is a fun day of celebration. March 17th, you must wear something green, eat

corned beef and cabbage, drink beer and don't forget to dance a jig.

St. Patrick's Day is just a fun holiday that is celebrated around the world. Luck of the Irish is celebrating St. Patrick with four leaf clovers, leprechauns and a pot of gold at the end of the rainbow. Have a Lucky Day!
