Welcome to the club!

Dear Tina,

I am so excited to introduce you to my newest endeavor, email marketing. Designed with you in mind "Tina's Real Estate Information Club" will keep you informed about real estate market trends. Helpful hints to prepare your home to sell or just maintaining your present home as well as the things you need to do to obtain a mortgage to purchase your new home. You will receive a monthly emailing and my new listings as I get them.

Thank you for allowing me to include you in my initial launch. I look forward to assist you in real estate needs.

Sincerely,

Tina Allen
