39 **FHA LOAN:** If the financing contingency specifies that Buyer is obtaining a FHA loan, it is expressly agreed that notwithstanding
40 any other provisions of this contract, the purchaser shall not be obligated to complete the purchase of the property described herein
41 or to incur any penalty by forfeiture of earnest money deposits or otherwise unless the mortgagee has delivered to the purchaser a
42 written statement issued by the Federal Housing Commissioner or a Direct Endorsement lender setting forth the appraised value of
43 the Property (excluding closing costs) of not less than \$ _____ which statement the mortgagee hereby agrees to deliver
44 to the purchaser promptly after such appraised value statement is made available to the mortgagee. The purchaser shall, however,
45 have the privilege and option of proceeding with consummation of the contract without regard to the amount of the appraised
46 valuation. The appraised valuation is arrived at to determine the maximum mortgage the Department of Housing and Urban
47 Development will insure. HUD does not warrant the value nor the condition of the property. The purchaser should satisfy

 62 of this contract, this purchaser shall not incur any penalty by forfeiture of earnest money or otherwise be obligated to complete the purchase
 63 of the property described herein, if the contract purchase price or cost exceeds the reasonable value of the property established by the

67 If title evidence is being provided by abstract, Seller shall provide an abstract of title prepared by an attorney licensed to practice law in
 68 Wisconsin or an abstract company. For purposes of closing, title evidence shall be acceptable if the abstract is delivered to Buyer's attorney

 70 title evidence, to be merchantable, subject only to liens which will be paid out of the proceeds of closing and standard abstract certificate
 71 limitations.

72 ■ UNDERGROUND STORAGE TANKS:

73 If there is an underground storage tank on the Property, Seller shall, prior to closing, comply with all federal, state and local regulations regarding
 74 the tank, including state tank registration and abandoned tank closure requirements. This Offer is contingent upon Seller confirming to Buyer,
 75 in writing, at least five days prior to closing, that any in-use underground storage tank is registered and meets any applicable current
 76 state operating standards; and that any abandoned underground storage tank was properly cleaned and closed in conformance with applicable
 77 state standards and that Seller has no knowledge of any contamination. Seller shall give Buyer copies of any documents confirming Seller's
 78 representations regarding any tanks. It is Buyer's sole responsibility to comply with state tank registration requirements and re-register any
 79 tanks remaining in use upon the Property after closing in his or her name.

 83 abandoned basement fuel oil tank has been emptied and cleaned in conformance with applicable state standards and that all required
 84 state notices and registrations have been completed. Seller shall give Buyer copies of any documents confirming Seller's representations.

85 ■ ASBESTOS, LEAD, LEAD-BASED PAINT, MOLD, AND RADON GAS:

86 The parties are aware that newspapers and other public information sources indicate that asbestos, lead-based paint, lead in drinking
 87 water, unsafe levels of mold, radium, radon gas and other toxic substances and chemicals within a structure or in soils or water
 88 supplies can cause serious health hazards. Seller represents that, to the best of Seller's knowledge, the Property does not contain
 89 asbestos, lead-based paint, or abnormal or unsafe concentrations of mold, radon gas, lead, radium or other toxic or harmful
 90 substances or chemicals. Buyer is encouraged to inspect and test the property with respect to these matters and to consult with the
 91 appropriate experts, as is required, regarding these issues.

92 ■ BUYER'S RESPONSIBILITY TO ASCERTAIN CONDITION OF THE PROPERTY:

93 Buyer acknowledges that it is Buyer's responsibility to make certain that the Property is in a condition that Buyer finds acceptable. Buyer
 94 acknowledges that Buyer has made such independent inquiries as Buyer deemed necessary concerning material factors. Buyer acknowledges
 95 that in purchasing this Property, Buyer has relied on Buyer's independent inspection and analysis of the Property and upon the
 96 statements, disclosures and representations contained in this Offer, in any Seller's disclosure report, and in any other written statements
 97 provided to Buyer. Buyer further acknowledges that neither Seller nor any real estate agents involved in this transaction have made any
 98 representations concerning the Property or the transaction other than those stated in this Offer, incorporated into this Offer by reference,
 99 or otherwise provided to the Buyer in writing, nor has any real estate agent made any statement purporting to be based on personal
 100 knowledge unless the same is specifically set forth in this Offer, incorporated into this Offer by reference, or otherwise provided to the
 101 Buyer in writing. Buyer agrees that Buyer has not requested Seller nor has any real estate agent offered to verify the accuracy of any
 102 of Seller's or other third party's statements, disclosures and representations contained in this Offer unless the request is specifically set
 103 forth in this Offer.

104 ■ INSPECTIONS, TESTS, APPRAISALS, AND OPINIONS:

105 Real estate agent(s) may furnish a list of independent inspectors/testers to the Seller/Buyer. Unless provided in writing, no representation
 106 has been made as to the competency of the inspectors/testers. The Party designated as responsible for obtaining an inspection shall
 107 be solely responsible for determining the qualifications of the inspector/tester. In the event any inspection or test is ordered on behalf of
 108 the Seller/Buyer by a broker in the transaction, the Parties agree to hold the broker harmless for any damages or liability resulting from the
 109 inspection or test, other than that caused by the broker's negligence or intentional wrongdoing. Seller is aware and agrees that Buyer or
 110 Buyer's representatives may be present at inspections and tests. Buyer may receive copies of certain inspection, test, appraisal or other
 111 reports prepared for other persons. Buyer should carefully review these reports to determine the age and purpose of the report and the
 112 standards of practice followed by the individual preparing the report. It is recommended that Buyer have the Property inspected by a
 113 Wisconsin registered home inspector, or other qualified independent inspector/tester for inspections/tests other than a "home inspection".

114 ■ MUNICIPAL REPORT/ CODE COMPLIANCE:

115 Seller agrees to provide Buyer, and Buyer's lender's closing agent, if applicable, with a written statement verifying the status of real estate taxes,
 116 current or planned special assessments, and other municipal charges affecting the Property, if such a statement is available from the municipality
 117 in which the Property is located. This statement shall be provided prior to closing, at Seller's expense. Seller also agrees, at Seller's cost, to
 118 provide a Certificate of Compliance or Occupancy Permit, if required by applicable municipal code, at or before closing.

119 ■ ZONING AND BUILDING RESTRICTIONS, COMPREHENSIVE PLANS AND NON-CONFORMING PROPERTY:

120 Buyer is advised that the municipality in which the Property is located likely has existing zoning and building restrictions and may have
 121 developed a "Comprehensive Plan." Zoning and building restrictions currently affect the use of the Property, and comprehensive plans, while
 122 strictly advisory, may affect the future use or value of the property by influencing future development (residential, commercial, transit systems,
 123 etc.) in the municipality. Buyer is informed that some properties are considered legal non-conforming properties which no longer conform to
 124 current zoning due to changing building regulations, restrictions, and lot size requirements. Restrictions on non-conforming properties may
 125 affect Buyer's ability to build, rebuild, remodel, replace, enlarge or use an existing structure (consider special hazard insurance if Property is
 126 non-conforming). Buyer is encouraged to contact the appropriate municipal authorities regarding existing zoning and building restrictions and
 127 possible comprehensive plans, if these issues are material to Buyer's decision to purchase.

128 ■ FLOOD PLAINS/WETLANDS:

129 Buyer is aware that the flood plain and wetland maps referred to in the Offer lack detail, are difficult to interpret, and may not be accurate.
 130 Buyer is encouraged to personally examine such maps or consult with appropriate government officials to verify their accuracy or
 131 applicability, if such information is material to Buyer's decision to purchase. If Buyer's lender requires flood plain insurance, Buyer agrees
 132 to pay the cost of the flood plain insurance.
