HOME WARRANTY PROGRAM: Seller agrees to provide Buyer with a limited term home warranty agreement to be effective on the date of closing, provided that the Property qualifies for the warranty plan. The charge for warranty is $_____.

To be paid by the (Seller)(Buyer) STRIKE ONE at closing. This price includes the full amount of all fees due and payable and the costs of inspection and administration. The warranty plan will be provided by the (listing) (cooperating) [STRIKE ONE] broker.

Buyer and Seller understand, approve, and consent to the fact that a portion of this fee may be paid to the broker providing the plan. Buyer is advised that a home inspection may detect pre-existing conditions which may not be covered under the warranty plan. Broker recommends the Parties consider a home warranty.

MAP OF THE PROPERTY: This Offer is contingent upon (Buyer obtaining) (Seller providing) [STRIKE ONE] a map of the Property prepared by a licensed land surveyor, within ___ days of acceptance, at (Buyer's) (Seller's) [STRIKE ONE] expense. The map shall identify the legal description of the Property, the Property's boundaries and boundary line dimensions, visible encroachments upon the Property, the location of improvements, if any, and:

STRIKE AND COMPLETE AS APPLICABLE Additional map features which may be added include, but are not limited to: specifying how current the map must be; staking of all corners of the Property; identifying dedicated and apparent streets, lot dimensions, total acreage or square footage, easements or rights-of-way. CAUTION: Consider the cost and the need for map features before selecting them. The map shall show no significant encroachment(s) or any information materially inconsistent with any prior representations to Buyer. This contingency shall be deemed satisfied unless Buyer, within five days of the earlier of: 1) Buyer's receipt of the map, or 2) the deadline for delivery of said map, delivers to Seller, and to listing broker if Property is listed, a copy of the map and a written notice which identifies the significant encroachment or the information materially inconsistent with prior representations.

TESTING CONTINGENCY: (Testing for lead-based paint, radon, mold, etc. is prohibited without a testing contingency):

This Offer is contingent upon (Buyer obtaining)(Seller providing) [STRIKE ONE] a current written report documenting the results of the following test(s):

(Buyer's)(Seller's) [STRIKE ONE] expense. This testing contingency shall be deemed satisfied unless Buyer, within five days of the earlier of: 1) Buyer's receipt of the test report(s) or 2) the deadline for delivery of said report(s), delivers to Seller and Seller's agent, a copy of the test report(s) and a written notice identifying the defect(s) (as defined at lines 34 - 38) to which Buyer objects. Seller (shall) (shall not) [STRIKE ONE] have the right to cure. (Seller shall have a right to cure if no choice is indicated.) If Seller has the right to cure, Seller may satisfy this contingency by (1) delivering a written notice of Seller's election to cure within 10 days of receipt of Buyer's notice; (2) and by curing the defects in a good and workmanlike manner and by giving Buyer a report of the work done prior to closing. This Offer shall be null and void if Buyer does not have the right to cure; or (2) Seller has a right to cure but: a) Seller delivers notice that Seller will not cure; or b) Seller does not timely deliver the notice of election to cure. A defect is defined as a structural, mechanical or other condition that would have a significant adverse effect on the value of the Property that would significantly impair the health or safety of future occupants of the Property; or that is not repaired, removed or replaced would significantly shorten or have significant adverse effect on the expected normal life of the Property. Defects do not include structural, mechanical or other conditions that nature and extent of which Buyer had actual knowledge or written notice before signing the Offer.

FHA LOAN: If the financing contingency specifies that Buyer is obtaining a FHA loan, it is expressly agreed that notwithstanding any other provisions of this contract, the purchaser shall not be obligated to complete the purchase of the property described herein or to incur any penalty by forfeiture of earnest money deposits or otherwise unless the mortgagee has delivered to the purchaser a written statement issued by the Federal Housing Commissioner or a Direct Endorsement lender setting forth the appraised value of the Property (excluding closing costs) of not less than $_____, which statement the mortgagee hereby agrees to deliver to the purchaser promptly after such appraised value statement is made available to the mortgagee. The purchaser shall, however, have the privilege and option of proceeding with consummation of the contract without regard to the amount of the appraised valuation. The appraised valuation is arrived at to determine the maximum mortgage the Department of Housing and Urban Development will insure. HUD does not warrant the value or the condition of the property. The purchaser should satisfy himself/herself that the price and condition of the property are acceptable.

**ABSTRACT:**
If title evidence is being provided by abstract, Seller shall provide an abstract of title prepared by an attorney licensed to practice law in Wisconsin or an abstract company. For purposes of closing, title evidence shall be acceptable if the abstract is delivered to Buyer's attorney or Buyer not less than 3 business days before closing, showing title to the Property as of a date no more than 15 days before delivery of such title evidence, to be merchantable, subject only to liens which will be paid out of the proceeds of closing and standard abstract certificate limitations.

**UNDERGROUND STORAGE TANKS:**
If there is an underground storage tank on the Property, Seller shall, prior to closing, comply with all federal, state and local regulations regarding the tank, including state tank registration and abandoned tank closure requirements. This Offer is contingent upon Seller confirming to Buyer, in writing, at least five days prior to closing, that any in-use underground storage tank is registered and meets any applicable current state operating standards; and that any abandoned underground storage tank was properly cleaned and closed in conformance with applicable state standards and that Seller has no knowledge of any contamination. Seller shall give Buyer copies of any documents confirming Seller's representations regarding any tanks. It is Buyer's sole responsibility to comply with state tank registration requirements and re-register any tanks remaining in use upon the Property after closing in his or her name.

**BASEMENT FUEL OIL TANKS:**
If there is an abandoned basement fuel oil tank on the Property, Seller shall, prior to closing, comply with all applicable state regulations regarding such tanks. This Offer is contingent upon Seller confirming to Buyer, in writing, at least five days prior to closing, that any abandoned basement fuel oil tank has been emptied and cleaned in conformance with applicable state standards and that all required state notices and registrations have been completed. Seller shall give Buyer copies of any documents confirming Seller's representations.

**ASBESTOS, LEAD, LEAD-BASED PAINT, MOLD, AND RADON GAS:**
The parties are aware that newspapers and other public information sources indicate that asbestos, lead-based paint, lead in drinking water, unsafe levels of mold, radium, radon gas and other toxic substances and chemicals within a structure or in soils or water supplies can cause serious health hazards. Seller represents that, to the best of Seller's knowledge, the Property does not contain asbestos, lead-based paint, or abnormal or unsafe concentrations of mold, radon gas, lead, radium or other toxic or harmful substances or chemicals. Buyer is encouraged to inspect and test the property with respect to these matters and to consult with the appropriate experts, as is required, regarding these issues.

**BUYER'S RESPONSIBILITY TO ASCERTAIN CONDITION OF THE PROPERTY:**
Buyer acknowledges that it is Buyer's responsibility to make certain that the Property is in a condition that Buyer finds acceptable. Buyer acknowledges that Buyer has made such independent inquiries as Buyer deemed necessary concerning material factors. Buyer acknowledges that in purchasing this Property, Buyer has relied on Buyer's independent inspection and analysis of the Property and upon the statements, disclosures and representations contained in this Offer, in any Seller's disclosure report, and in any other written statements provided to Buyer. Buyer further acknowledges that neither Seller nor any real estate agents involved in this transaction have made any representations concerning the Property or the transaction other than those stated in this Offer, incorporated into this Offer by reference, or otherwise provided to the Buyer in writing, nor has any real estate agent made any statement purporting to be based on personal knowledge unless the same is specifically set forth in this Offer, incorporated into this Offer by reference, or otherwise provided to the Buyer in writing. Buyer agrees that Buyer has not requested Seller nor has any real estate agent offered to verify the accuracy of any of Seller's or other third party's statements, disclosures and representations contained in this Offer unless the request is specifically set forth in this Offer.

**INSPECTIONS, TESTS, APPRAISALS, AND OPINIONS:**
Real estate agent(s) may furnish a list of independent inspectors/testers to the Seller/Buyer. Unless provided in writing, no representation has been made as to the competency of the inspectors/testers. The Party designated as responsible for obtaining an inspection shall be solely responsible for determining the qualifications of the inspector/tester. In the event any inspection or test is ordered on behalf of the Seller/Buyer by a broker in the transaction, the Parties agree to hold the broker harmless for any damages or liability resulting from the inspection or test, other than that caused by the broker's negligence or intentional wrongdoing. Seller is aware and agrees that Buyer or Buyer's representatives may be present at inspections and tests. Buyer may receive copies of certain inspection, test, appraisal or other reports prepared for other persons. Buyer should carefully review these reports to determine the age and purpose of the report and the standards of practice followed by the individual preparing the report. It is recommended that Buyer have the Property inspected by a Wisconsin registered home inspector, or other qualified independent inspector/tester for inspections/tests other than a "home inspection".

**MUNICIPAL REPORT/ CODE COMPLIANCE:**
Seller agrees to provide Buyer, and Buyer's lender's closing agent, if applicable, with a written statement verifying the status of real estate taxes, current or planned special assessments, and other municipal charges affecting the Property, if such a statement is available from the municipality in which the Property is located. This statement shall be provided prior to closing, at Seller's expense. Seller also agrees, at Seller's cost, to provide a Certificate of Compliance or Occupancy Permit, if required by applicable municipal code, at or before closing.

**ZONING AND BUILDING RESTRICTIONS, COMPREHENSIVE PLANS AND NON-CONFORMING PROPERTY:**
Buyer is advised that the municipality in which the Property is located likely has existing zoning and building restrictions and may have developed a "Comprehensive Plan." Zoning and building restrictions currently affect the use of the Property, and comprehensive plans, while strictly advisory, may affect the future use or value of the property by influencing future development (residential, commercial, transit systems, etc.) in the municipality. Buyer is informed that some properties are considered legal non-conforming properties which no longer conform to current zoning due to changing building regulations, restrictions, and lot size requirements. Restrictions on non-conforming properties may affect Buyer's ability to build, rebuild, remodel, replace, enlarge or use an existing structure (consider special hazard insurance if Property is non-conforming). Buyer is encouraged to contact the appropriate municipal authorities regarding existing zoning and building restrictions and possible comprehensive plans, if these issues are material to Buyer's decision to purchase.

**FLOOD PLAIN/WETLANDS:**
Buyer is aware that the flood plain and wetland maps referred to in the Offer lack detail, are difficult to interpret, and may not be accurate. Buyer is encouraged to personally examine such maps or consult with appropriate government officials to verify their accuracy or applicability, if such information is material to Buyer's decision to purchase. If Buyer's lender requires flood plain insurance, Buyer agrees to pay the cost of the flood plain insurance.
