"I would like to express my gratitude and appreciation for the services at WP Realty Inc. in the sale of my home in August 2013. When we first considered the sale of our home we spoke with a few different realtors but none were nearly as professional and well prepared as WP Realty Inc. !"

– Johna Plohetski

"Thank you Wil for your hard work, honesty and professionalism"

– Ryan and Michelle Mosley

"Thank you Wil and Johanna for getting our home sold. The overall experience was great and we look forward to referring you to others."

– Bryan

"Thank you so much for taking the extra effort to make our first home purchase successful. You were there guiding us through all the crucial and important steps! You really listened to what we wanted in our home and you found exactly what we were looking for - at an amazing price! If we ever out-grow this home, we'll definitely be calling you!"

– Robert

"You made buying a home so easy for my wife and I. We were grateful for how much patience you used in answering all of our questions and taking us to look at so many houses. You never pushed us into looking at something we were not interested in. We strongly recommend you to anyone looking at buying a new home."

– Thomas
