TESTIMONIALS

Sallie really knows real estate. She was with us through listing our house to closing and during all the bumps in the road. She really cares for her clients and goes the extra mile for them.

~Renee and Ray T.

Sallie Chester was an exceptional real estate agent. With her assistance and knowledge of the area, I was able to find my dream home here in Lexington.

~Jeff G.

Sallie Chester and her team are the ultimate professionals! Everything...from the advice she gave us before we listed our lake condo, to the quality photos she had taken, to the flyers created for prospective buyers, were all top quality! Sallie understood what we wanted and worked hard to get us the best price in a reasonable amount of time. Her knowledge and expertise helped us throughout the process. We highly recommend Sallie and her team!

~Colette and Jim F.

Sallie was wonderful to work with. She was very detailed and gave great advice of what I could do to help sell my property. Sallie was very prompt in answering any questions with regard to the selling process. Actually, my wife has already referred one of her friends to Sallie. In the future, I would certainly work with Sallie again and refer anyone I know needing real estate services.
