

# Recycling / Waste Disposal

While there are 10 Convenience Centers for recycling and waste disposal throughout Rutherford County, the two nearest to our vacation rental homes are in Lake Lure and Rutherfordton.

These Convenience Centers are happy to accept newspaper, glass bottles and jars (sorted by color), plastic (numbers 1 and 2), aluminum cans, flattened corrugated cardboard, metals (including appliances), car batteries, motor oil, oil filters, and electronics. All recyclable material must be sorted. There are also Swap Shops where items that are too good to throw away can be placed for someone to pick up for free. Plus there are disposal bins for waste.
