Town of Lake Lure Regulations

Lake Use - Fishing

In Lake Lure and surrounding streams of the Hickory Nut Gorge, you will find rainbow trout, brown trout, largemouth bass, smallmouth Bass, crappie, white bass, catfish, bluegill and sun perch.

State licenses are required to fish in the lake and river. Don't forget to buy trout stamps, which are also required for creek and river fishing. Also, boat permits are required on Lake Lure.

The North Carolina Wildlife Resources Commission provides information about fishing licenses and the regulations for fishing in the state.

All persons must secure a license from the North Carolina Wildlife Commission in accordance with North Carolina general statutes, to the extent that such license may be required, before fishing in any and all North Carolina waters, including Lake Lure. The cost of a fishing license varies depending on resident/non-resident status, the number of days, and the type of fish.

It is unlawful to use basket tote lines or other stationary or unmarked devices, other than poles and items normally used by sport fishing, for the catching of fish in the waters of Lake Lure.

Purchase fishing license(s) at:

Dalton's General Store
1100 Bills Creek Rd
Lake Lure, NC 28746
Phone: (828) 625-9750

Thema's Mountain Store
1804 Memorial Hwy
Lake Lure, NC 28746
Phone: (828) 625-0204
