Small town living at its best in this immaculate home

Handsome home on an impeccable, landscaped lot and a half. The location is equally as impressive - just steps to school and across the street from a park and pool. Inside, find soaring ceilings, newer stainless steel appliances, tasteful paint and textured walls. Both full bathrooms are newly remodeled. Come through the covered front porch to the living room, two dining rooms and nook, built-in desk, kitchen with custom cabinets. The master has abundant storage, closet space, office loft and a big bathroom. Newly-stained tiered decks with built-in seating and the most charming play buildings! The two car garage has a workshop. The yard looks like a botanical garden.
