- Envelopes (Plastic Window OK)
- Shredded Paper

**Metal**

Examples:

- Tin Cans
- Small Metal Objects
- Empty Aerosol Cans
- Aluminum Cans and Foil
- Pots and Pans
- Metal Lids

**Do NOT Recycle:**

- Food Waste (rinse out all containers - no greasy pizza boxes)
- Needles/ Syringes
- Hazardous or Biohazardous Waste
- Recyclables in Bags
- Plastic Bags

**What is Single Stream Recycling?**

Instead of separating different types of recyclables at home, they are now separated at the recycling facility. Single Stream Recycling improves recycling rates by making it easier to recycle a wide variety of materials that otherwise would go in the trash.

**How Can I Compost?**

Request a compost bin for your home to compost food scraps and yard waste for your own garden. See website for more details.
