

**RULES AND REGULATIONS
OF
WHISTLER VILLAGE TOWNHOMES**

THE WHISTLER VILLAGE TOWNHOMES ASSOCIATION, a Colorado non-profit corporation (the "Association"), by virtue of authority provided in the Declaration of Covenants, Conditions and Restrictions (the "Declaration") for Whistler Village Townhomes, and in the Articles of Incorporation and bylaws of the Association, does hereby publish and declare the following as Rules and Regulations respecting all of the properties now and hereafter subjected to the Declaration and all townhomes and improvements thereon (the "Townhomes Project"), all property of the Association for common use, and the use and occupancy by owners, tenants, guests and invitees of the Lots, the Townhomes and the Common Area.

1. Purpose. These rules and regulations are made for the purposes of promoting the best interests of owners and occupants of townhomes in the Townhome Project, to secure full, fair, and safe utilization and enjoyment of the Townhomes Project by such owners and occupants, to protect and enhance the property values of the Lots and Townhomes, to protect persons and property against injury or damage, and in general to promote the health, safety, and general welfare of the owners and occupants and to make the Townhomes Project a pleasant place in which to live and visit.

2. Applicability. These rules and regulations are applicable to owners, tenants, guests and invitees of owners, and shall be deemed in addition to, and not in lieu of, all applicable provisions of the Declaration, Articles of Incorporation and bylaws, which shall control in the event of any inconsistency with these provisions. Each owner is responsible and liable for the acts or omissions of such owner's tenants, guests and invitees respecting compliance with these rules and regulations and the Declaration. The Association or its manager or managing agent will make reasonable efforts to warn owners, tenants and guest of infractions of these rules and regulations, but failure to so warn shall not be an excuse for or defense of such infraction. Paragraph (c) of Article IX of the Declaration provides that, where these rules and regulations provide for liquidated damage sums in favor of the Association for specific violations, such failure by an owner or his guests, tenants or invitees to comply with such applicable rules and regulations shall cause, at the option of the Association and on notice to the owner, such liquidated damage sum to be special assessment against such owner's Lot and Townhomes, for which the Association shall have lien and collection rights specified in article IV of the Declaration. Therefore, in all cases, an **OWNER IS LIABLE FOR ALL LIQUIDATED DAMAGE ASSESSMENTS FOR VIOLATIONS OF THESE RULES AND REGULATIONS BY SUCH OWNER AND BY THE GUESTS, TENANTS AND INVITEES OF SUCH OWNER**. The Association reserves all remedies for collection of such liquidated damage assessments as are specified in Article IV of the Declaration, including foreclosure of the lien therefore against an owner's Lot and Townhome.

3. Tenants and Guests. An owner who rents his Townhome to a tenant or guest should advise the Association or its manager or managing agent in writing, so that the Association may be able to advise such tenant or guest, at his request, of these rules and regulations, and so that the Association may better able to prevent or correct violations of these rules and regulations. If an owner executes a rental agreement respecting his Townhome, the owner shall promptly notify the Association of such fact and the name and address of the rental management agent.

4. General Rules and Regulations.
