

Sharp Realty's Premium Home Seller Program

Sharp Realty is not your typical real estate brokerage. Since we specialize in both real estate sales AND remodeling, we are able to offer home sellers an exclusive program that no other Realtors can offer.

Step one: preparing your home for sale

We perform all the remodeling/updating necessary to get your home ready to sell fast and for top dollar. We do this for zero money up front...the cost is simply deducted once your home sells.

Step two: saving you thousands

Most Realtors charge a 3% listing commission to sell your home. Not us...we offer two full service listing options to get your home sold for less. Choose to pay just \$1000 due at signing or 1% at closing.
