## RENTAL APPLICATION

Sacramento, CA 95864

(916) 484-0955

License # 00793181

### READ CAREFULLY

A complete application is necessary from each adult (18 years and older) who intends to reside at the rental property.

Rick Otto and Associates requires \$45.00 processing fee per person to check income, landlord history or ownership and credit. This **fee is non-refundable once the application is processed**. We accept fee payment in cash or money order only. **No personal checks are accepted for application processing.**

We need a clear COLOR copy of the following items before you sign a lease agreement with us:

- Your current 2 pay stubs with year to date earnings. (If self-employed copies of 2 years of FED Tax Returns are needed) **MUST BE ORIGINALS – NO COMPUTER PRINT OUTS ACCEPTED**
- Bank Statements (originals) that verify earnings on pay stubs were deposited into your account
- Photo Id showing date of birth (example: current drivers license) For all included on the application
- Current DMV license information on all vehicles registered to applicants
- Social Security Identification card or Current Passport

Negative credit, rental or employment references may keep an application from being approved or may require a larger deposit.

General guidelines for credit approval is:

- At least 2 years of consistent employment
- Legal and verifiable income of three times the monthly rent amount (current bill payments must not be excessive in relation to income)
- At least two recent years of rental or ownership references and no eviction history
- Good credit established or evidence of re-building credit

***If you have a situation you'd like to explain please do so in advance of your rental application being processed. We process applications on a case by case basis.***

An 'Offer to Rent' document must be filled out when any vacancy is placed on hold. **The security deposit and first month's rent must be paid in the form of a cashier's check prior to occupancy.** Applications are processed as quickly as possible but it is difficult to determine (in advance) how long this will take, as it is necessary to wait for return calls from landlords and employers. Once your application is approved, you will have 24 hours to submit a security deposit.

If the property rents before your application is processed, the processing fee will be refunded.
