INFORMATION ABOUT TARA:

Tara has extensive knowledge and background in the solar industry, having spent five years assisting homeowners with the purchasing and leasing of solar photovoltaic systems. She has a full understanding of the benefits that solar systems provide to homeowners and understands how to market the advantages of solar homes to potential buyers. With her previous experience in the solar industry as well as being a licensed REALTOR® with her GREEN designation from the National Association of Realtors, you can be sure you have a competent and qualified person working for you. She has a passion for both solar and real estate and wants to help sell your home for the best price, in the shortest amount of time, with the least amount of hassle. Contact her any time to request more information: **623-640-6546**.

*Monthly solar sales data was compiled from the Arizona Regional MLS.
