No vehicles, campers, trailers or boats shall be allowed to remain parked within the common easement or property shared by the owners for excessive periods of time.

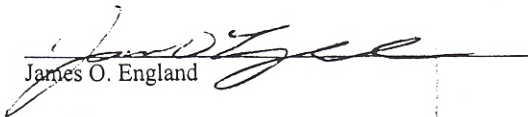

6. The exterior of any house must be completed within six (6) months after Construction is commenced.
7. Any outbuilding must conform to construction of the house in materials and workmanship with the exterior being the same or very similar to that of the house. All outbuildings shall be maintained in good repair.

Said lien shall be subordinate to any first mortgage. The first year's assessment shall be \$200.00 per annum per tract payable on or before July 1, 2004 for owners of record and every July 1, thereafter, for owners of record as of July 1 each year and will be held in an escrow account of the North Lone Mountain Shores Phase II Owners Association and will be payable annually.
21. Declarants shall select three (3) trustees to serve for a term of three (3) years for the purpose set out above. The primary purpose of the Association and the governing bylaws shall be the maintenance of the roads and common area. After said term, the number of trustees shall be determined by the adopted bylaws and for the terms set out therein. These trustees shall have the responsibility of proposing a set of bylaws, which shall be adopted by a majority of the lot owners, who shall be entitled to one (1) vote for each lot owned.
