A San Antonio Building Tradition Since 1959

# Garden Villas in Bentley Manor **FLOOR PLANS**

Prestige Homes is the oldest locally owned and operated homebuilder in and around San Antonio. The legacy began when Lloyd Booth started the business in 1959 with the same goals and pride that Todd Booth continues to operate under today. The business has changed over the years, new products and materials, but the way the customer is treated is the same, with honesty, respect and integrity. Today, Todd Booth and John Brown, COO offer personalized services that set Prestige Homes apart; with a private showroom and licensed interior designer to assist in making selections, trade relations that are generations' old as well as new ones as we move into the future. John Brown says we have **“More Thought per Square Foot”** than any other competitive builder and after you walk our product you will see why. When it comes time for you to select a builder for your next home, don't just pick any builder pick **“The Builder”** with a legacy for generations, Prestige Homes!
