office this 19th
day of July, 2008
Time: 4:46AM

STATE OF GEORGIA,
COUNTY OF TIFT

THIS DECLARATION OF COVENANTS, CONDITIONS, AND RESTRICTIONS, made and published this 19th day of June, 2008 by Mill Ridge CROSSING, LLC, a partnership organized under the laws of the State of Georgia, with its principal office and place of business in Tifton, Tift County, Georgia.

Amal C. Bhatia
Clerk of Superior Court

WITNESSETH:

WHEREAS, MILL RIDGE CROSSING, LLC owns lots 1- 36, Block A; 1 - 22, Block B; 1 - 9, Block C; 1 - 6, Block D and 1 - 13, Block E of the Mill Ridge Subdivision, as said lots are depicted on that certain plat of survey entitled Survey for Mill Ridge Subdivision dated 5/22/08 and recorded in Plat Book 39, Page 196-8 Tift County records; and

WHEREAS, it is to the interest, benefit and advantage of MILL RIDGE CROSSING, LLC and to each and every person who shall hereafter purchase any lot within said subdivision that certain covenants, conditions and restrictions governing and regulating the use and occupancy for the same be established, set forth, and declared to be covenants, conditions and restrictions running with the land.

NOWHEREFORE, for and in consideration of the premises and of the benefits to be derived by MILL RIDGE CROSSING, LLC and each and every subsequent owner of any lots, MILL RIDGE CROSSING, LLC does hereby set up, establish, promulgate and declare the following covenants, conditions and restrictions to apply to all of said lots and to all persons owning said lots, or any of them, hereafter; with these covenants, conditions, and restrictions becoming effective immediately under and through MILL RIDGE CROSSING, LLC and being effective until thirty-five (35) years from date at which time the same may be extended or terminated in whole or in part as hereinafter provided:

1. LAND USE AND BUILDING TYPE. No lot shall be utilized for any purpose except residential purposes. No building shall be constructed, erected, placed, altered or permitted to remain on any lot other than one detached single-family dwelling not in excess of two and one-half stories in height (exclusive of any basement) plus a private residence garage for motor vehicles and plus such residential accessory buildings as may be approved by the Architectural Control Committee. No detached garage or accessory building shall be constructed, erected, placed altered or permitted to remain upon any lot which is not constructed of the same materials as the dwelling located upon said lot unless prior approval is obtained from the Architectural Control Committee.
2. ARCHITECTURAL CONTROL. No building, fence, wall or other structure of any nature shall be constructed, erected, placed, altered, or permitted to remain on any lot until the construction plans and specifications and a plan showing the location of the proposed structure have been approved by the Architectural Control Committee as to quality of workmanship and materials, as to harmony of external design with existing structures, and as to location including relationship with topography and finish grade elevation.
3. DWELLING COST, QUALITY AND SIZE. No dwelling shall be permitted on any lot that shall not be of a quality of workmanship and materials. The floor area of the main structure, exclusive of open porches and garages, shall not be less than 1300 square feet. If the structure is to be two story then the bottom floor shall not be less than 1000 square feet. Any garage that opens to the street shall be required to have a garage door. Should structure not be primarily brick or stone, then at least one front facing exterior wall shall be finished with brick or stone masonry as approved by the Architectural Committee. Front wall space of garage shall not be considered to satisfy the required masonry exterior front wall afore mentioned in preceding sentence. All residential structures will be required to have a minimum of 18" of foundation wall showing above the finished ground elevation. The roof pitch shall be a minimum of 7:12

pitch with a eaves to have a minimum 16-inch overhang. No metal roofs will be allowed unless specifically approved by Architectural Committee.

4. **BUILDING LOCATION.** No building shall be located on any lot nearer than 25 feet to the front line. No building shall be located on any lot nearer than 10 feet to an interior line. No dwelling shall be located on a lot nearer than 30 feet to the rear lot line. For purposes of this provision, eaves, steps and open porches shall not be considered as a part of a building; provided however that this shall not be construed to permit any portion of a building, on a lot, to encroach upon another lot.
5. **CITY UTILITIES:** Upon completion of each residence, the owner shall be required to contract with the city of Tifton for city water and sewage, cable television, internet service (if applicable) and have the following natural gas appliances; gas hot water plus one of the following – gas clothes dryer, gas kitchen range or gas furnace/dual fuel heating system and any one of the following – gas fireplace logs, gas outside grill or gas outdoor lights. An alternate cable television service provider shall only be allowed under extenuating circumstances by written permission from the Architectural Committee.
6. **SIDEWALK REQUIREMENTS:** Sidewalk installation and expense shall be provided by the purchaser of each lot and shall be installed by the completion date of the construction of the residential structure. Sidewalks shall be aggregate concrete being a minimum of four feet (4') in width placed four feet (4') behind rear of curb to allow for a grassed strip.
7. **FENCING:** No fencing of any type or material shall be allowed to be installed beyond the front wall to the street. Fencing shall be designated as being from side wall to the rear boundary line.
8. **STATUARIES:** No statuaries of any size or shape shall be allowed to be in the front yard of any property. Front yard shall be interpreted to be the any yard area being located from the front wall of the residential structure to the rear of the curb and guttering of the road. Front of house shall be defined as the portion of the residential structure facing the road and not being the side of or rear of the
9. **STRUCTURE LOCATION.** No swimming pool or other structure of any nature shall be constructed, erected, placed or permitted to remain on any lot nearer to any street or lot line than the minimum setback lines established for said property unless approved by the Architectural Control Committee.
10. **DIVISION OF LOTS.** No lot shall be divided or other structure partitioned with out the prior written approval of the Architectural Control Committee.
11. **ROADS AND STREETS.** No portion of any lot shall be utilized at any time by any person or entity as a road, street, or other thoroughfare or otherwise for any purpose of ingress and egress to or from other property without the prior written consent of the Architectural Control Committee.
12. **DURATION OF CONSTRUCTION.** Upon commencement of construction of any structure or improvement upon any lot, the owner of said lot shall not allow construction work to proceed in any manner other than diligently or allow such construction to be completed other than within a reasonable time nor shall any such lot owner allow any such construction to remain incomplete after once commenced for more than one calendar year. As used herein the term "construction" shall include preparation of grounds and landscaping. During construction the owner shall not allow the premises to become or remain unsightly or littered.
13. **DRIVEWAYS.** Upon completion of construction of the main dwelling, it shall be required that a permanent driveway be installed of a minimum width of 10 feet and be concrete only.
14. **EASEMENT.** Easements for installation and maintenance of utilities and drainage are reserved as required.

15. **NUISANCES.** No noxious or offensive activity shall be carried or permitted on upon any lot, nor shall anything be done thereon which may be or may become a nuisance to the owners of adjacent property in the said subdivision. No substance or material shall be kept or maintained on any lot which would emit foul or obnoxious odors.
16. **TEMPORARY STRUCTURES.** No structures of a temporary character and no trailer, basement, tent, shack, garage, barn or other outbuilding shall be used on any lot at any time as a residence on a temporary or permanent basis. Satellite dishes will only be allowed due to very extenuating such as but not limiting to a certain nationality requiring satellite service for their country's broadcast due to contact, language, etc.
17. **SIGNS.** No sign of any kind shall be displayed to the public view on any lot except one sign of not more than five square feet advertising the property for sale or rent. Or signs used by:
1. A builder to advertise the property during the construction period or;
2. A real estate broker during the period of time the property is for sale.
18. **OIL AND MINING OPERATIONS.** No oil drilling, oil development operations, oil refining, quarrying, or mining operations of any kind shall be permitted upon or in any lot, nor shall oil wells, tanks, tunnels, mineral excavations or shafts be permitted upon any lot. No derrick or other structure designed for use in boring for oil or natural gas shall be erected, maintained or permitted upon any lot.
19. **ANIMALS.** No animals, livestock, or poultry of any kind shall be raised, bred or kept on any lot, except that dogs, cats or other household pets may be kept in a reasonable number provided that there are not kept, bred or maintained for any commercial purposes and that there area not more than two pets per member of each household. No pet shall be allowed or permitted to become a nuisance to the owner of any other lot in the subdivision.
20. **GARBAGE AND REFUSE DISPOSAL.** No part of any lot shall be used or maintained on whole or in part as a storage area or dumping ground for rubbish or anything of character which would cause such lot to appear to be in an unclean or untidy condition or that would be obnoxious to the eye. Trash, garbage, and other waste shall not be kept upon a lot except in a sanitary container. All equipment for the storage or disposal of such material shall be kept in a neat, clean and sanitary condition.
21. **COMMERCIAL AND NON-OPERABLE VEHICLES.** No commercial vehicle, construction equipment, or any non-operable vehicle of any type shall be permitted on any lot unless kept in a completely enclosed garage and approved in advance in writing by the Architectural Control Committee.
22. **LAWN MAINTENANCE.** No weeds, underbrush, or other unsightly growth shall be allowed or permitted to grow or remain upon any portion of a lot and no lawn shall be allowed or permitted to become overgrown or un-kept. Should the owner of any lot fail to comply with the provisions of this paragraph then following written notice with respect thereto and failure to correct such failure on the part of the owner, either MILL RIDGE CROSSING, LLC or the Architectural Control Committee shall have the right to cause such growth to be cut, to charge the owner for such lot with the cost thereof, an to collect such cost from such owner.
23. **MAINTENANCE OF STRUCTURES.** Buildings and other structures constructed on any lot shall be maintained in essentially the same manner stated as constructed and no finished building or other structure shall be allowed or permitted to become or remain in deed of repair or maintenance.
24. **WATER SYSTEMS.** No individual wells or water supply system shall be permitted without prior written approval of the Architectural Control Committee.
25. **SEWAGE DISPOSAL.** No individual sewage disposal system shall be permitted on any lot unless such system is designed, located, constructed and thereafter maintained in accordance with the requirements, standards and recommendations of the Georgia Department of Public Health.

26. SIGHT DISTANCE AND INTERSECTIONS. No fence, wall hedge or tree shall be placed or permitted to remain upon any lot which will obstruct sight lines at intersections unless the same is maintained at a sufficient manner so as to prevent obstruction of sight lines at intersections. No fence shall be located past the front corner of the house.

27. ARCHITECTURAL CONTROL COMMITTEE.

- (a) MEMBERSHIP. The Architectural Control Committee is composed of Mace Johnson, Neal Adcock, and Dale Sumner, all residence of Tift County, Georgia. A majority of the committee may designate a representative to act for it. In the event of death or resignation of any member of the committee, the remaining members shall have full authority to designate a successor. Neither the members of the committee, nor its designated representative shall be entitled to any compensation for services performed pursuant to this covenant. At any time, the then recorded owners of a majority of the lots shall have power through a duly recorded written instrument to change membership of the committee or to withdraw from the committee or restore to it any of its powers and duties.
- (b) PROCEDURES. The committee's approval or disapproval as required in these covenant shall in writing. In the event the committee, or its designated representatives fails to approve or disapprove within 60 days to the completion thereof, approval will not be required and the related covenants shall be deemed to have been fully complied with.

28. TERM. The covenants are to run with land and shall be binding on all parties and all person claiming under them for a period of thirty-five (35) years from the date of this instrument after which time this instrument shall be automatically extended for successive period of ten (10) years unless and instrument signed by a majority of the then owners of the lots has been recorded, agreeing to change the provision hereof in whole or in part or to terminate this instrument and its effectiveness.

29. SEVERABILITY. Invalidation of any one of the provisions hereof by judgement or court order shall in no way affect any of the other provisions which shall remain in full remain in full force and effect.

30. AMENDMENT. MILL RIDGE CROSSING, LLC for and on behalf of itself and its successor and assigns, reserves unto itself the right to amend these covenants, conditions, and restrictions from time to time by execution of appropriate documents relative thereto provided the same is concurred in and agree to by all other person or entities them owning any portion of the land to which these covenants, condition and restrictions are applicable.

IN WITNESS WHEREOF, the undersigned has caused these presents to be properly executed by its proper officials and its corporate seal affixed on this day and first above written.
