Customize Your Home ... It's Easy!

Why settle for someone else's idea of the perfect home?

At Adair Homes we think **you're the expert** when it comes to designing a home that's a perfect fit for your family. Choose from one of our options or work with our team members to **create the home you have always dreamed of.**

Plans and elevations are artist's renderings and may contain options, which are not standard on all models. Adair reserves the right to make changes to these floor plans, specifications, dimensions and elevations without prior notice. Stated dimensions and square footage are approximate and should not be used as representation of the home's precise or actual size. Please see a Home Ownership Counselor for more details. Base price will vary per exterior elevation. ©Adair Homes, 2014. OR-CCB#593 WA-AIAIRH*262RZ
