

TW Shortt Realty  
320 Joan Ave  
Elizabethtown Ky 42701  
Office: 270-769-2468/twshortt.com

To Whom It May Concern:

I am the property manager for the below referenced property. I approve the installation of cable, telephone, internet and satellite. A satellite dish may NOT be installed on the roof, deck, side or be affixed in any way to the property. It may, however, be installed on a post in the ground. We understand the signal will be taken into consideration in regard to the placement of the dish but please place this in the most discrete location as possible. If you have any questions, you may contact us.

Thank you,
