## What makes the Joan Pratt Group your real estate team of choice?

### ETHICALLY COMPETITIVE

We love to get the win for our clients. Get the most \$\$\$, the best deal, win the listing, beat out the other offers....but always ethically. Our team is a bull dog for all our clients!

### KNOWLEDGEABLE

Our team thrives off of continuous education. It is our requirement to continually be ahead of current market trends, strategies, and technology.

### NETWORK

Our team is constantly establishing relationships with Realtors, vendors, and professionals on an International level. We do so to better assist clients who are relocating to our area or moving away. We are able to refer agents who have similar values & skills to our team to ensure they receive the level of service they would receive from our team if moving locally.

### BUSINESS BY REFERRAL

Our goal is to serve each client in such a way that they will brag about us and the referrals keep coming in. We are relationship orientated not transaction oriented.
