

## Your Pre-shoot Checklist

Thanks for choosing Walkthrough, we're excited to provide you with excellent photos *and* a 3D Virtual tour of your home! We want to make this experience as simple as we can for you, we know that you have a lot going on with a big move. We've made a checklist for you to help our photographer provide you with the best quality of photography when we arrive for your shoot.

### Lighting

- Interior and exterior lights on, including all lamps, cabinet lighting, stove-top lighting, bedside lamps, ceiling fan lights, and any other secondary light sources
- Replace any burnt out bulbs
- Turn off all ceiling fans (otherwise they will be blurred in the photos)

### Kitchen

- Remove all non-decorative items from counters (soap, paper towels, cleaning supplies, sponges, etc.)
- Remove magnets and photos from the refrigerator

### Windows

- Pull your blinds all the way up- the natural light will make your home look great!
- Open curtains

### Bathrooms

- Lower all toilet seats
- Remove all non-decorative items from countertops and remove any extra toilet paper
- Remove toiletries from the bath/ shower area, we like to open the curtains to show the size of the bathing area

### Front & Backyards

- Remove or coil hoses and remove all equipment, organize patio and deck furniture
- Pick up pet waste, remove garbage bins
- Ensure that no vehicles are in the driveway or in the street and close garage doors

### General

- Put all personal items away
- In general, make the house as clean as possible
- Please keep pets out of the way during the shoot (in garage, backyard, unfinished basement for example.)
- Straighten all beds

**We're excited to help you sell your home!**
