**Twila Glenn, Realtor**

Twila came to the area as a student at Messiah College. “The roots go deep here and the relationships I’ve formed are why Central PA is my home.” Twila is dedicated to giving clients a superior experience through innovation, attention to detail and valuable resources. “Clients deserve more than someone that fills out paperwork and puts up a sign. We give them genuine analysis, honest guidance and timely feedback so they can focus on their lives and know their transaction is in good hands.” Twila formed The Twila C. We are better together than we are separately and we all feel like - Real Estate is Our Calling.”
