Move Out Cleaning List

We ask that you clean your dirt!

Kitchen:

Cupboards ~ Wipe down inside & out. Clean the exterior of the cabinet doors thoroughly with a good cleaning agent.

Refrigerator ~ Thoroughly clean inside and outside. Don't forget the tops, sides, and under the fridge.

Oven/Stove ~ If oven is "self cleaning" use that function. Otherwise, please use a product like "Oven off". Clean all residue thoroughly. Lift the stove top and clean under the burners as well. You'll be surprised how much food accumulates there!. Also, don't forget to sweep UNDER the stove as much as possible.

Counter tops ~ Wiped down paying special attention to corners and area around the stove.

Floors – Thoroughly sweep and mop. Pay special attention to the corners and under any baseboard heaters that may be in the room.

Window(s) ~ Clean inside of windows including the seal.

Baseboards ~ Dust and clean.

Living Room:

Floors ~ Vacuum and have carpets professionally steam cleaned. Provide the receipt to our office. Don't forget along the baseboards and behind doors!

Baseboards ~ Dust and clean.

Lights ~ Dust ceiling lights and replace any burnt out bulbs. Clean any dirt from light switches.

Fireplace ~ If you have a fireplace, it needs to be cleaned out and vacuumed.

Doors ~ Please wipe down any dirt, hand prints, etc. from all doors, interior and exterior.

Bedrooms:

Closets ~ Make sure to vacuum inside closet paying close attention to the corners. Also be sure to wipe down and dust any shelving that may be present.

Floors ~ Vacuum and have carpets professionally steam cleaned. Provide the receipt to our office. Don't forget along the baseboards and behind doors!

Baseboards ~ Dust and clean.

Lights ~ Dust ceiling lights and replace any burnt out bulbs. Clean any dirt from light switches.

Doors ~ Please wipe down any dirt, hand prints, etc. from all doors, interior and exterior.

Bathroom(s):

Toilet ~ Clean exterior base of toilet as well as the bowl and seat. Use an “iron out” product to remove iron deposits and hard water stains.

Cupboards ~ Wipe down inside & out. Clean the exterior of the cabinet doors thoroughly with a good cleaning agent.

Floors ~ Thoroughly sweep and mop. Pay special attention to the corners and under any baseboard heaters that may be in the room.

Baseboards ~ Dust and clean.

Window(s) ~ Clean inside of windows including the seal.

Mirror/Medicine Cabinet ~ Clean mirror with glass cleaner & wipe down interior of medicine cabinet.

Tub/Shower/Sink ~ Clean thoroughly to remove all soap scum and use an “iron out” product to remove iron deposits and hard water stains. Make sure there is no toothpaste or hair left in sink.

Garage/Exterior:

Porch ~ Please sweep off the porch and replace any light bulbs that may be burnt out.

Yard ~ Please remove any personal belongings, clean any debris, and dispose of all refuse.

Garage ~ Sweep floor, remove any personal belongings, and dispose of all refuse.

When you have completed the cleaning and are ready to turn over the key, please call our office to schedule your walk-thru. After the walk-thru, you will need to surrender all keys to the property. Please provide our office with a forwarding address. Thank you.
