

How to give a proper 30 day notice

Proper 30 day written notice is required if you intend to move. This means that you would need to give our office written notice of your intention to move 30 day before the next rent due day. The notice needs to state name, date, property address, that you are giving your thirty day notice, and needs to be signed.

What this means is that if you intended to move out on May 31st, you would have needed to give our office written notice on or before April 30th. If you would like to move on June 30th, written notice is required on or before May 31st.
