Event Detail:

Primary Writing: Structure and Style Two Day Workshop
 IEW Speaker: Sharon Ashford

A Two-Day Workshop for Teachers in Grades K-2. 8:00 AM - 4:00 PM both days. A complete syllabus for sequential development of writing skills in K-2nd grade students, this two-day course presents five different composition models and eleven stylistic techniques. Participants will have hands-on writing practice using a checklist-based approach, which prepares them to assist students in gradually expanding and continuously reinforcing a repertoire of specific skills. The Structure and Style system directly supports writing across the curriculum. Materials included (Value \$260)

More details about this event can be found by going to IEWSchools.com. Click "Events & Classes" and then "Seminars".
