### **Teaching Writing: Structure and Style (TWSS)**

#### A Two-Day Workshop for Teachers of Grades 3–12

In this interactive seminar, educators learn IEW's structured and sequential method for developing writing and thinking skills.

- note taking and summarizing from notes
- narrative summaries
- research writing
- writing from prompts
- essay models
- vocabulary building
- sentence variety
- grammar instruction strategies
- organization and reasoning
- content collaboration
- differentiated-instruction best practices
- public speaking
- and more!

### **Primary Writing with Structure and Style (PSS)\***

#### A Two-Day Workshop for Teachers of Grades K–2

Designed with your primary students' needs in mind, this workshop presents

- five writing structures
- three style strategies
- organization and reasoning
- content collaboration
- basic grammar
- poetry integration
- vocabulary building
- and more!

\*PSS workshop only offered at the Elmhurst, IL location.
