

## The Wind and the Sun

The Wind and the Sun were arguing about who was the stronger. When they saw a traveler coming down the road, the Sun said, "I see a way to decide our dispute. Whichever of us can cause that traveler to take off his cloak shall be regarded as the stronger—you begin."

“Excellent! Let’s do it!” said the Wind.

So the Sun went behind a cloud, and the Wind began to blow as hard as it could upon the traveler. The harder he blew, the more tightly did the traveler wrap his cloak round himself. At last, the Wind gave up in despair.

Then the Sun came out and shone in all his glory upon the traveler, and the man soon removed his cloak.
