Chauras

Chauras is a learning centre cum crèche for children of migrant construction site workers. The centre is slowly regaining its operation in former momentum, as the lockdown opens up and the labourers return to the sites.

ë mela (Daan Utsav)

IIFL Foundation launched an unique online platform to support artisans, craftsmen and small scale producers across the country, to resurrect their livelihood in the post-lockdown phase. An online website - daanutsav.iifl.com, offering a platform for NGOs, Self Help groups and community based groups to showcase and sell their products directly to customers across india. The services of the platform were offered 'free of cost' to the participants.

Artificial Insemination (AI)

Through Artificial Insemination project, IIFL Foundation has supported farmers from low income groups to venture and progress in the vertical of Dairy production. This Livestock Development project is operational in 3 states across India – Rajasthan, Karnataka and Tamil Nadu, with a total of 7 AI centres.
