Annexure - 2 to Directors' Report

Information relating to conservation of energy, technology absorption and innovation and foreign exchange earnings/outgo forming part of the Directors' Report in terms Section 134(3) (m) of the Companies Act, 2013.

Conservation of energy:

The Company is engaged in providing financial services and as such its operations do not account for substantial energy consumption. However, the Company is taking all possible measures to conserve energy. Several environment friendly measures were adopted by the Company such as:

Installation of capacitors to save power,

Installed Thin Film Transistor (TFT) monitors that saves power,

Light Emitting Diode (LED) lights

Automatic power shutdown of idle monitors,

Creating environmental awareness by way of distributing the information in electronic form,

Minimising air-conditioning usage,

Shutting off all the lights when not in use and

Education and awareness programs for employees

The Management frequently puts circulars on corporate intranet, IWIN for the employees educating them on ways and means to conserve the electricity and other natural resources and ensures strict compliance of the same.

Technology absorption and innovation:

The Management understands the importance of technology in the business segments it operates and lays utmost emphasis on system development and use of best technology available in the industry. The management keeps itself abreast of technological advancements in the industry and ensures continued and sustained efforts towards absorption of technology, adaptation as well as development of the same to meet the business needs and objectives.

<u>Network:</u> The management invested considerable resources in deploying the latest technologies in the areas of wide area networking using MPLS, video communications, VoIP, automated dialers and other customer relationship management (CRM) tools and software. A consolidated nationwide deal with Airtel has helped us roll out a reliable MPLS network with redundant MPLS clouds and automated failover in most locations. The Company also made significant strides in using cloud technology for customer-facing servers providing rapid and inexpensive ramp-up or down of capacity in line with business requirements.

<u>Software:</u> The technology team has improved the trader terminal, our proprietary trading platform, which is more user-friendly and has better features than other trading platforms available in the market. The Company also successfully developed a browser-based trading platform using .NET technology, which is light weight and efficient and at the same time developed in-house, and Commodity and currency capabilities were also added available on the same platform. Mobile and tablet friendly versions of the trading platform have been launched and have gained significant adoption.

<u>Security & Compliance:</u> The management is aware of increasing threats in the Information Security domain and has taken several steps to ensure that the Company is safe guarded against hacking attacks, data leakage and security breaches. IT and certain business processes have been recertified for ISO 27001 systems for practicing industry standard security implementations and processes. The management has invested resources in implementing controls and continuously monitoring violations, if any.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 (the 'Act') with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

ICAI Regn. No.

19983W

Our responsibility is to express an opinion on these standalone financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Opinion

ed Accord

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2016, and its loss and its cash flows for the year ended on that date.

Annexure - B to the Auditors' Report

Independent Auditors' report to the members of **India Infoline Media and Research Services Limited** ("the Company") on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act").

We have audited the internal financial controls over financial reporting of the Company as of 31 March, 2016 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI').

These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

ed Accour

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March, 2016, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Notes forming part of the Standalone Financial Statements for the Year ended March 31, 2016.

1. Corporate Information:

India Infoline Media and Research Limited is into the business of online distribution of media contents, training, customer support and related services and is wholly owned subsidiary of IFL Holdings Limited.

2. Significant Accounting Policies:

2.1 Basis of accounting and preparation of financial statements:

The financial statements have been prepared in accordance with the Generally Accepted Accounting Principles in India (Indian GAAP) to comply with all material aspects of the applicable Accounting Standards notified under section 133 of companies Act 2013 (Act) read with Rule 7 of the Companies Accounts Rules, 2014 (as amended) and the relevant provisions of the Companies Act, 2013. The financial statements have been prepared on accrual basis under the historical cost convention. The accounting policies adopted in the preparation of the financial statements are consistent with those followed in the previous year by the Company.

2.2 Use of Estimates:

The preparation of financial statements in conformity with the generally accepted accounting principles which requires the management to make estimates and assumptions that affect the reported amount of assets and liabilities on the date of the financial statements and the reported amount of revenues and expenses during the reporting period. The management believes that the estimates used in the preparation of financial statements are prudent and reasonable. Difference between the actual result and estimates are recognized in the period in which the results are known / materialized.

2.3 Fixed Assets Depreciation and Amortisation:

Fixed assets are stated at cost of acquisition less accumulated depreciation and impairment loss, if any thereon. Depreciation is charged using the straight line method based on the useful life of fixed assets as estimated by the management as specified below. Depreciation is charged from the month in which new assets are put to use. No depreciation is charged from the month in which assets are sold.

Individual assets / group of similar assets costing up to ₹ 5,000 has been depreciated in full in the year of purchase. Lease hold land is depreciated on a straight line basis over the lease hold period.

In the case of transfer of used fixed assets from group companies, depreciation is charged over the remaining useful life of the assets.

Estimated useful life of the assets is as under:

Class of assets	Useful life
Buildings*	20 years
Computers*	3 years
Electrical equipment *	5 years
Office equipment	5 years
Furniture and fixtures *	5 years
Vehicles*	5 years
Software	3 years

^{*} For these class of assets, based on internal assessment and independent technical evaluation carried out by external valuers the management believes that the useful lives as given above best represent the period over which management expects to use these assets. Hence the useful lives for these assets is different from the useful lives as prescribed under Part C of Schedule II of the Companies Act 2013.

Notes forming part of the Standalone Financial Statements for the Year ended March 31, 2016.

2.4 Translation of foreign currency items:

Marketing, Distribution, Brokerage and Advisory income is recognized on accrual basis.

2.6 Other Income Recognition:

- (a) Interest Income is recognized on accrual basis.
- (b) Dividend income is recognized when the right to receive payment is established.
- (c) Capital Gain/Loss is recognized on the date of trade.

2.7 Employee Benefits:

The company's contribution towards Provident Fund and Family Pension Fund, which are defined contribution, are accounted for on an accrual basis and recognised in the Statement of Profit & Loss.

The Company has provided "Compensated Absences" on the basis of actuarial valuation. Gratuity is post employment benefit and is in the nature of Defined Benefit Plan. The Liability recognized in the Balance Sheet in respect of gratuity is the present value of defined benefit obligation at the balance sheet date together with the adjustments for unrecognized actuarial gain or losses and the past service costs. The defined benefit obligation is calculated at or near the balance sheet date by an independent actuary using the projected unit credit method.

2.8 Provisions, Contingent Liabilities and Contingent Assets:

The Company creates a provision when there is present obligation as a result of a past event that probably requires an outflow of resources and a reliable estimate can be made of the amount of the obligation. A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources. When there is a possible obligation or a present obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made.

Provisions are reviewed at each balance sheet date and adjusted to reflect the current best estimate. If it is no longer probable that the outflow of resources would be required to settle the obligation, the provision is reversed.

Contingent Assets are neither recognized nor disclosed in the financial statements.

2.9 Taxes on Income:

Tax expense comprises current and deferred tax. Current income-tax is measured at the amount expected to be paid to the tax authorities in accordance with the Income-tax Act, 1961 enacted in India. Provision for current tax is computed based on estimated tax liability computed after adjusting for allowance, disallowance and exemptions in accordance with the applicable tax laws. Deferred income taxes reflect the impact of timing differences between taxable income and accounting income originating during the current year and reversal of timing differences for earlier years. Deferred tax is measured using the tax rate and the tax laws enacted or substantively enacted at the Balance Sheet date. The deferred tax asset is recognised or unrecognised, to the extent that it has become reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available. At each reporting date, the Company re-assesses unrecognized deferred tax assets. Deferred tax liability is recognised as and when arisen.

Notes forming part of the Standalone Financial Statements for the Year ended March 31, 2016.

2.10 Operating Leases:

Lease rentals in respect of operating lease arrangements are charged to the Statement of Profit & Loss in accordance with Accounting Standard 19 – Leases, issued by the Institute of Chartered Accountants of India.

2.11 Investments:

Investments, which are readily realizable and intended to be held for not more than one year from the date on which such investments are made, are classified as current investments. All other Investments are classified as non – current investments. Current investments are stated at lower of cost or market / fair value. Non – current investments are carried at cost. Provision for diminution in value of non – current investments is made, if in the opinion of the management such diminution is other than temporary. For investment in Mutual funds, the net assets value (NAV) declare by the Mutual Funds at the balance sheet date is considered as the fair value.

2.12 Earnings Per Share:

Basic earnings per share for equity shareholders have been calculated by dividing the Net Profit after Tax or loss by the weighted average number of equity shares outstanding during the period. The diluted earnings per share for equity shareholders have been computed by dividing the Net Profit after Tax or loss by the weighted average number of equity shares after giving dilutive effect of the outstanding stock options.

2.13 Preliminary Expenses are written off in same financial year in which they are incurred.

25 Segment Reporting:

In the opinion of the management there is only one reportable business segment as envisaged by AS 17 'Segment Reporting' as prescribed by Companies (Accounting Standard) Rules 2006. Accordingly no separate disclosure for segment reporting is required to be made in the financial statements of the Company. Secondary segmentation based on geography has not been presented as the Company operates primarily in India and the Company perceives that there is no significant difference in its risk and returns in operating from different geographic areas within India.
