# **Monsoon session likely** to be on schedule in July

### PRESS TRUST OF INDIA New Delhi, 8 June

he government is hopeful that the Monsoon Session of Parliament will begin on its normal schedule in July, Parliamentary Affairs Minister Pralhad Joshi said on Tuesday amid the second wave of Covid-19.

Since the pandemic began, three sessions of Parliament were curtailed and the winter session last year had to be cancelled. Last year, the Monsoon Session, which usually starts in July, had begun in September. "I am hopeful that Parliament session will be held as per its normal schedule starting in July." Joshi told PTI. Sources said the modalities of holding this year's Monsoon Session are still being discussed.

The government had recently placed advance orders for 300 million doses of Biological E with a payment of ₹1,500 crore. The

project was to be completed in 18 months and was to be launched after three months of testing.

This is not the first time one of the government portals developed by Infosys has faced glitches. In fact, both the goods and services tax network (GSTN) and the Ministry of Corporate Affairs site are maintained by the company,

and have been facing issues. However, sources in the tax department said the GSTN portal was different from the I-T portal, given the former was a new system wherein each area was introduced for returns, tax credits, matching only if it finds the assets of input credits etc

The government had said on May 3. that around 110 million doses were to be received from Serum Institute of India (SII), which makes Covishield - developed by AstraZeneca and Oxford University.

Serum Institute CEO Adar Poonawalla had indicated last month that more than 200 million doses had been delivered cumulatively to the Indian government.

Sources indicated that in May, more than 30 million doses were supplied to the Centre. In June, another 60 million doses are expected to come into the system. This is in sync with the vaccine makers stepping up production. Last month, SII produced roughly 70 million doses, and around half of Centre. In June, the compa-
