IIFL Foundation Donates Lifesaving NST Machines to KEM Hospital

IIFL Foundation, which is the CSR arm of diversified financial services conglomerate - IIFL Group, **donated Non-Stress Test (NST) machines** to the **Department of Obstetrics and Gynecology** at **KEM Hospital**, Mumbai. This donation aimed to enhance the hospital's ability to provide critical care and support to expectant mothers and their babies, ultimately contributing to the saving of children's lives.

Previously, IIFL Foundation had **donated an ElectroSurgical Cautery (ESG) machine** to the **Department of Gastroenterology** at **KEM Hospital**. The ESG machine has proven to be crucial in performing precise surgical procedures, leading to improved patient outcomes and reduced recovery times.

Mrs. Madhu Jain, Director of IIFL Foundation, commented, "Our donation of NST machines to KEM Hospital underscores our diligence to support healthcare institutions with essential equipment. We aim to ensure that every child has a healthy start and every mother receives the necessary care."

The NST machines, essential for monitoring foetal health during pregnancy, provide accurate and timely data on foetal heart rate and movements. This technology enables healthcare professionals to make informed decisions and take necessary actions to ensure the safety of both the mother and the child.

IIFL Foundation's support for KEM Hospital reflects the core mission of the IIFL Foundation to positively impact communities through effective CSR initiatives. The foundation

addresses critical areas such as health, education, climate action, livelihood, and poverty alleviation, with the goal of creating a more equitable and sustainable future for all.

About IIFL Foundation:

IIFL Foundation is one India's largest corporate social responsibility foundations in India with significant contributions in the areas of education, health, livelihood, poverty alleviation and climate action. IIFL Foundation's flagship Sakhiyon Ki Baadi program has brought over 36,000 out-of-school girls into the education system through 1,200 schools. IIFL Foundation has supported many low-cost innovations positively impacting a large number of beneficiaries in the rural and semi-urban areas.
