## **IIFL Foundation Supports Establishment of Two Computer Labs in Udaipur Government Schools Benefiting Over 1200 Girl Students**

IIFL Foundation today announced the establishment of two state-of-the-art computer labs in partnership with the Rajasthan Government, at Kherwara Girls' Higher Secondary School and Kanabai Girls' Higher Secondary School in Udaipur district.

The initiative provides fifteen computers to each school, benefitting over 1200 girl students in Kherwara and Nayagaon blocks, areas with a majority indigenous tribal population. This is a part of IIFL Foundation's long-term partnership with the Education Department of Rajasthan, which aims to provide state-of-the-art classrooms, smart labs, and clean toilets, ensuring a conducive learning environment across 102 Girls' Schools.

**Mrs. Madhu Jain, Director, IIFL Foundation** said, "We at IIFL Foundation have been working towards creating opportunities for girl students by making advanced education methods and technology available even in the most interior places in Rajasthan. We are grateful to the Rajasthan Government and Education Department for providing us with this prospect of supporting school education system at such a scale. Support and encouragement of the community and eagerness of students to learn gives us the courage and determination to take this forward to many more schools."

IIFL Foundation has made significant strides in the area of girl child education, particularly in Rajasthan focussed towards girl children from underprivileged indigenous communities, where female literacy rates are barely in double digits. Under Mrs. Madhu Jain's leadership, IIFL Foundation's flagship 'Sakhiyon Ki Baadi' program has brought over 36,000 out-of-school girls into the education system.

IIFL Foundation is the corporate social responsibility arm of diversified financial services entity – IIFL Group. Recognized as one of India's largest CSR foundations, IIFL Foundation has consistently worked in areas of education, health, livelihood, and climate change. The

Foundation's initiatives have positively impacted over a million beneficiaries and earned recognition from the Central Government, State Governments, and global entities, including the United Nations. IIFL has pioneered multiple healthcare innovations in partnership with government and non-government organizations across India.
