

RAPPORT DU PRÉSIDENT DE L'UNION ASIATIQUE DE JUDO

UNION ASIATIQUE DE JUDO

**PRÉSIDENT:
AL-ANZI OBAID**

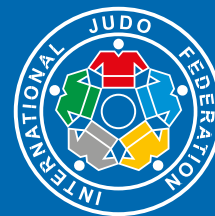

Dear IJF President Mr. Marius Vizer,
Dear EC Members
Dear Presidents, Delegates

I have the pleasure to present you the JUA report of the past two years. During the Covid-19 pandemic most of the JUA activities were cancelled. We had tried our best to overcome obstacles and continue our activities as much as the health crisis allowed us.

Despite the reduction of the number of JUA activities in the past 2 years, the Covid-19 pandemic could not stop the development of Judo in Asia. We adapted to the circumstances, and with the hard work of our EC members, the number of online activities and other related activities increased dramatically.

Now the Covid-19 pandemic is finally coming to an end, at least in Asia all activities are gradually resuming.

I believe and have confidence that with the support of IJF and the efforts of JUA member federations, Judo development and activities will not only resume to normal, but soon surpass the pre-pandemic level.
