

SERVICE/SALES POSITION OPENING
Northcentral Valley CALIFORNIA

Innovative Liquids LLC is a family owned business servicing the Dairy industry with our nutrition products and programs. We believe the success of any dairy and its owners is based on making the most successful transition of their cows from dry to lactating. Our mission is to serve and team up with dairy operators, employees, nutritionists and veterinarians to improve the chances of a successful transition program. We believe it's only with their success that we can succeed.

We have a team of people servicing the Western US, and we have an open position in the Northcentral Valley of California. The position involves:

- Servicing customers on a daily basis;
- Interacting with cows through collection of urine, blood and feed samples;
- Troubleshooting problems in transition programs and bringing our knowledge and programs to service them;
- Interacting with current and potential customers in the field and educating them on the benefits of using our products and services;
- Attending industry events and educational seminars that help support the industry and helps us grow as a company.

We will accept resumes until May 25, 2022. Interviews for qualified applicants will be scheduled during June 2022. The position is expected to start in July 2022.

The position offers a competitive salary and benefits. It requires the successful applicant to live around the Modesto-Turlock-Merced area, ideally, or within the territory. Innovative Liquids is a rapidly growing company that provides great opportunities to grow personally and professionally. If you are interested in applying for this position, please contact us:

Email resume to lrodriguez@iliquids.net or call if you have questions at 916-833-1280.

Sincerely

Luis Rodriguez PhD., DIPL ACAN
