MODERN LANGUAGE BIBLE

Are we ready for 2026?

There are no promises that tomorrow will come. But if it does, we'll have a plan for it. Just like we've had for eight years together here. You're still here, still staying organized, looking towards the future, being creative, and most importantly, staying faithful.

Like every year, we hope you find inspiration and hope on every page. From every coloring page to dotted blank sheet; it's all here for you.

All the space you need to lay it out, sketch it, list it and do it—it's ready for you. And as always, every month has content ideas to inspire and lead your path.

So while we may not cross paths in 2026, let's make sure our prayers for a successful and blessed year are united. This life is a beautiful gift, let's not waste a moment of it.

So 2026, let's get creative!
