About GreenMobility

GreenMobility offers modern urbanites easy, flexible, and sustainable transport in the form of electric shared city cars and vans. Users have access to these vehicles via the GreenMobility app. Trips are paid per minute, through minute packages, on a daily, weekly

or monthly basis. Today, GreenMobility operates a total of 1,400 EVs in Copenhagen and Aarhus, Denmark.

Driven by global megatrends, GreenMobility sees a rapidly growing market for carsharing in large cities that demand green transport for their citizens and aim to reduce the number of private cars. GreenMobility's ambition is to be among the leading global operators of green shared mobility solutions. GreenMobility is publicly listed for trading on the Nasdaq Main Market Copenhagen in Denmark.
