

# Google workspace

Google Workspace offers an array of custom tools that help seamlessly streamline operations, boost collaboration, and puts productivity needs first!

## Features

- > **Easy collaboration:** With the help of Google Sheets, Docs and Drive, research data can be easily shared online to speed up productivity
- > **Confidential Mode:** Keep emails containing sensitive data under wraps with Gmail confidential mode.
- > **Offline Mode:** You don't need to worry about losing that Internet connection - your work won't be stuck when the Wi-Fi goes down!
- > **Security And Compliance:** Administrators have the power to customize their compliances according to the organization's needs.
- > **Unlimited Storage:** Your organization can enjoy unlimited storage for Gmail messages, Google Photos and files in Drive
- > **and more!**
