

Disclaimer

This webinar contains "forward-looking statements" within the meaning of the "safe harbor" provisions of the Private Securities Litigation Reform Act of 1995, which may include, but are not limited to, statements regarding our financial outlook, product development, and market positioning. These forward-looking statements are based on current expectations, estimates, forecasts and projections. Words such as "expect," "anticipate," "should," "believe," "hope," "target," "project," "goals," "estimate," "potential," "predict," "may," "will," "might," "could," "intend," "shall" and variations of these terms or the negative of these terms and similar expressions are intended to identify these forward-looking statements. Forward-looking statements are subject to a number of risks and uncertainties, many of which involve factors or circumstances that are beyond GFI's control.

These risks and uncertainties include, but are not limited to, risks associated with developing and delivering new functionality for GFI products, new products and services, our business model, our past financial performance, possible fluctuations in our operating results and rate of growth, interruptions or delays in our service availability, breach of our security measures, the outcome of intellectual property and other litigation, risks associated with possible mergers and acquisitions, the immature market in which we operate, our relatively limited operating history, our ability to expand, retain and motivate our employees and manage our growth, new releases of our products and features, our integrations with cloud, mobile and web applications, and our ability to add and retain new customers.

Any unreleased products, features, functionality or roadmaps referenced across the website or in press releases or public statements are not currently available and may not be delivered on time or at all, as may be determined in our sole discretion. Any such referenced products, features, functionality or roadmaps do not represent promises to deliver, commitments or obligations of GFI, Inc. Customers who purchase our products should make their purchase decisions based upon features that are currently generally available. GFI, Inc. assumes no obligation and does not intend to update these forward-looking statements.
