

Customer Success Story:

Meeting the MFA requirements of Cyber Risk Insurance

RAPID STA DEPLOYMENT WITHIN ONE WEEK ENSURES
RETAILER GETS CYBER INSURANCE COVERAGE

CHALLENGE

A **middle size Retail company** had to deploy MFA to all employees within two months to get its **cyber risk Insurance coverage** renewed

SOLUTION

The customer's IT Partner implemented **Thales authentication & access management solution** within one week

All employees can securely access their **desktops and cloud applications** thanks to MFA and smart SSO

RESULTS

- **Met insurance agency deadline** thanks to rapid deployment
- Reduced risk of **cyberattacks** thanks to **highly secure authenticators**
- **Met IT budget** with a **cost effective, all-in-one cloud service**
