

Accelerate the digital transformation of member health outcomes

We help payers and their provider networks meet members' rising expectations for personalization, convenience, and data access.

The Innovaccer Health Cloud for Payers

A collection of cloud products and services powering the future of health.

Leading healthcare organizations are connecting their care ecosystems on the Innovaccer Health Cloud.

Innovaccer drives collaboration and connectivity among payers, providers, and members with the Innovaccer® Health Cloud. By unlocking the power of data with the **#1 Best in KLAS data platform** for healthcare, payers have a 360-degree view of their members, helping to drive down IT costs and improve care quality.

We help payers accelerate digital innovation with a unified member record, a highly scalable Innovation Toolkit, an intelligent Application Suite, and a growing library of Innovation Accelerators.

2–3x
increased prospective
closure of coding and
quality gap

30%
Office visit time given
back to physician

35%
reduced
healthcare costs

40%
decrease in unnecessary
ED utilization

> 60%
reduction in
chart retrieval

100%
more usable data for
supplemental reporting and
coder chart reviews

30%
lower hospital
readmissions

30%
reduction in time spent
on risk coding

Enterprise data platform

Payer digital transformation (digital
chart retrievals, improved Star Ratings)

Clinical data integration

Compliance adherence
(CMS 9115-F, 9915-F, and 9123-P)

CMS compliance

Payer data connectivity

FHIR server and API gateway

Third-party application
workflow management

Member workflow implementation

Risk adjustment and quality management

Enhanced risk adjustment
using coding gaps, chart retrievals,
and others

Care quality management using
quality gaps, member engagement,
and more

Provider engagement hub using
provider CRM

About Innovaccer

Innovaccer Inc., the Health Cloud company, is a leading San Francisco-based healthcare technology company committed to helping healthcare care as one. The Innovaccer® Health Cloud unifies patient data across systems and settings, and empowers healthcare organizations to rapidly develop scalable, modern applications that improve clinical, operational, and financial outcomes. Innovaccer's solutions have been deployed across more than 1,000 care settings in the U.S., enabling more than 37,000 providers to transform care delivery and work collaboratively with payers and life sciences companies. Innovaccer has helped organizations unify health records for more than 24 million people and generate more than \$600 million in savings.
